1 Read these instructions carefully.
2 DO NOT turn this page before you are told. Your teacher will tell you when to turn this page to begin the questions.
3 There are 50 questions in this SPECIAL PAPER ONE paper. You will be given EXACTLY 60 MINUTES to do the questions.
4 For each question, four answers are given, but only one of the four is correct. Work out which is the BEST answer. Then, on your ANSWER SHEET, mark the box completely by shading the answer space of the letter of your choice. If you had chosen answer D for a question, you would show it like this:
